

OUR DEDICATION TO QUALITY PRODUCTS AND SERVICE

The Andersons is committed to providing the best value to our customers. We've created a strong team infrastructure dedicated to tenuring and establishing relationships with steamship lines, railroads, and facilities. These relationships, coupled with established origination and quality operation management, translates to the greatest value The Andersons has to offer.

OUR ROOTS ARE ANCHORED IN HARD WORK, INNOVATION, AND OUR ABILITY TO EXCEED CUSTOMERS' EXPECTATIONS.

GAIN EXPERIENCE AND GROW WITH THE ANDERSONS

Our Supervisor in Training (SIT) program focuses on safety and teaches new trainees the fundamentals of the commercial commodity handling business during a year long program where you will receive mentorship from an experienced Facility Manager at The Andersons.

AS A FULL-TIME EMPLOYEE, YOU'RE ELIGIBLE FOR...

- Competitive salary and bonus potential
- Paid time off - vacation, sick and holiday pay
- 401K Retirement Plan that is competitive in the marketplace
- Health Insurance - Medical, Dental and Vision coverage, plus Company paid Life Insurance, AD&D, and Long & Short-term Disability
- Tuition reimbursement for undergraduate or graduate courses

LEARN MORE ABOUT US AT ANDERSONSINC.COM

WHAT YOU'LL LEARN

In the Supervisor in Training program you can expect to learn the following:

BUSINESS & OPERATIONS LEADERSHIP SKILLS

RAIL, TRUCK & VESSEL LOADING

FACILITY TECHNOLOGY & INVENTORY CONTROLS

By rotating through different facilities, you will receive broad, hands-on experience in all aspects of the grain handling business.
